

## LOK SMC-G BSPP male metric tube

FITTINGS FOR THE CHEMICAL AND FOOD INDUSTRY › S-LOK STAINLESS STEEL FITTINGS › S-LOK FITTINGS

Straight end fitting for METRIC stainless steel pipe with BSPT cylindrical inch thread.

Pack of 10 pieces.

UPON REQUEST, AVAILABLE IN A THERMOCOUPLE VERSION (SMCT), i.e. the S-Lok thermocouple connector HAS A THROUGH HOLE OF THE DIAMETER OF THE PIPE, the features allow the thermocouple to pass through the end of the fitting hole.

### ASSEMBLY INSTRUCTIONS:

- 1 - Place the length of thermocouple passed through the wire end fitting and hold it to prevent movement during assembly.
- 2 - Turn the 1"1/4 nut after hand tightening with a wrench, holding the body with a backup wrench for size 1/4"(6mm) or larger.
