

NYLON PIPE PA 66

HOSES › Hoses for Pneumatic Applications › POLYAMIDE TUBES - RILSAN PA11 - PA12

Characteristics

Rigid linear tube in **Nylon PA 6.6**. Its chemical and mechanical characteristics make it an **excellent product for greasing and lubrication applications** in controlled environments.

Attention!

Absorbs moisture (up to 10%): values not reliable in humid environments.

Mastertubi.it/q?1322

Standard lengths: 25-50-100 m

Colors: neutral - black

Operating temperatures: **from 0°C to 80°C**

Burst pressure safety factor: **3:1**

Graph of pressure drop expressed in % as a function of temperature
