

TUBE SPIDER TOTAL PU ROBOT

HOSES › Tubes for Automation and Robotics

Tube entirely in polyurethane with inserted polyester fiber reinforcement

Particularly suitable for the industrial robotics sector.

Excellent resistance to abrasion, ozone, crushing, silicone-free.

Suitable for food contact according to DDC - compliant with FDA 21 CFR 177.2600 par."e"

Smooth surfaces

SHORE hardness A85

Operating temperatures: -20° +80° C

Available colours; GREEN, BLACK, BLUE, RED
