

NATURAL RUBBER SHEET - NR - PARA

RUBBER SHEETS › Rubber

NR or Para natural rubber sheet.

Excellent elasticity and resistance to wear, cuts and tears.

Good elasticity, resistant to weak acids and alkalis.

Hardness from 35 to 45 shore +/- 5 UNI 4916.

Poor resistance to ageing, mineral oils and heat.

Specific gravity: 1.10.

Color: amber brown.

Breaking load 10MPa UNI 6065.

Elongation at break 450%.

Tear resistance 30N/mm UNI 4914C.

Abrasion resistance 90.

Operating temperature from +70° to 90° C
